PAROID ROOFING

**THE ROOFING
WITH A
MONEY-BACK
GUARANTEE**

Buy one lot of Paroid ; open it; inspect it; apply it to your roof, and if then you are not satisfied that you have the best ready roofing made, send us your name and address, and we will send you a check for the full cost of the roofing including the cost of applying it.

PAROID LASTS LONGEST

BECAUSE it is made of the best felt—made in our own mill's (established in 1817) ; other manufacturers buy their felt outside and simply saturate and coat it.

BECAUSE it is soaked (not dipped) in a saturating compound which makes it water proof in every fibre.

BECAUSE it is coated on both sides with the strongest, thickest, smoothest, toughest, most flexible coating used on any ready roofing. Don't take our word alone for it. Compare Paroid with any other. You can see and feel the difference. Paroid does not break or crack in the coldest weather or run in hot weather.

Because it is applied with our patented square, rust-proof caps—water proofed on both sides—the only caps that will not rust, work loose and cause leaks.

These are some of the reasons why we can give Paroid so strong a guaranty—why it lasts so long—why it is so largely used by governments, railways, factories and farmers everywhere.

All we ask is that you try it, on our money-back guarantee.

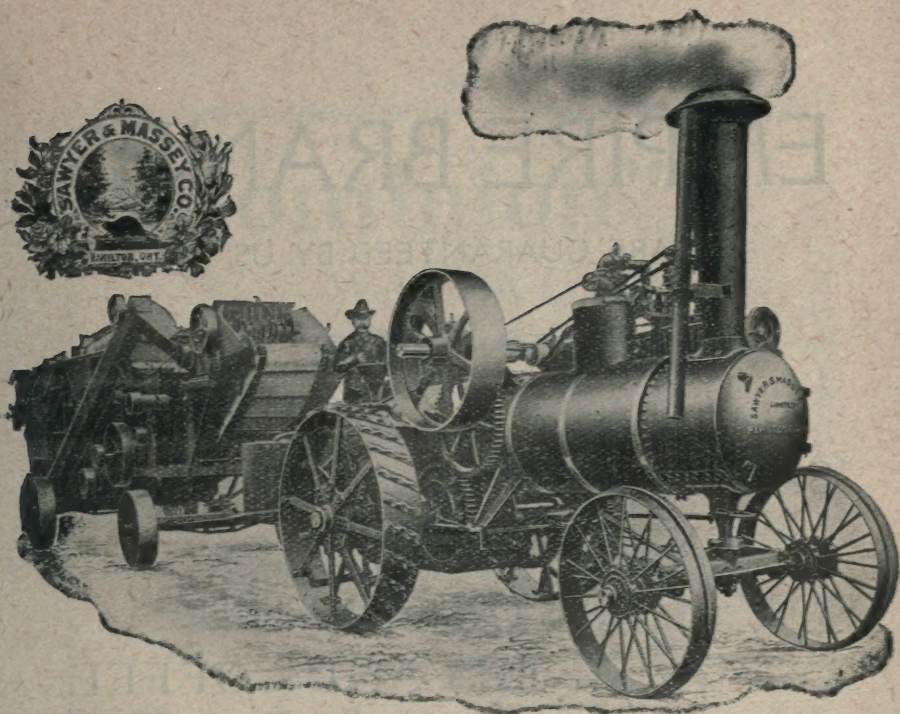

If your dealer cannot supply you, don't take a substitute but send for samples and prices.

Building Plans Free —Enclose four cents in stamps and we will send you by return mail our 48-page book of plans for Practical Farm Buildings. Better do it at once.

Diarrhoea, Dysentry Summer Complaint and all Bowel Troubles CURED BY DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

Mrs. Gordon Helmer, Newington, Ont., writes:

"I have used Dr. Fowler's Extract of Wild Strawberry for Diarrhoea and never found any other to equal it. There are many imitations but none so good as Dr. Fowler's."

Mrs. C. W. Brown, Grand Harbor, N.B., writes:

"I consider Dr. Fowler's Extract of Wild Strawberry to be the best remedy for Summer Complaint, as it cured me of a very bad case. I can recommend it highly to any one."

Miss M. Hopkins, Roseview, Sask., writes:

"I have used Dr. Fowler's Extract of Wild Strawberry and found it all it is recommended to be for Diarrhoea and Summer Complaint. We would not be without a bottle of it in the house."

HOW DOES YOUR HEART BEAT

Heart disease is characterized by its stealthy approach and its variety of forms, yet in all its forms nature gives unmistakable signals which warn us of its presence.

Palpitation, throbbing, irregular beating, pain in the breast, smothering feeling, faint, dizzy feeling on rising quickly, shortness of breath, flushing of the face, feeling of oppression and anxiety, are all manifestations of heart trouble.

If you have anything wrong with your heart

MILBURN'S HEART AND NERVE PILLS will cure you

They have a soothing and calming effect on the nervous system, combined with a tonic, invigorating and restoring action on the heart itself.

L. E. NOLAN, Perth Ont., writes:

"Having used some of your Milburn's Heart and Nerve Pills, I find them a great remedy and I highly recommend them to all those troubled with weak nerves."

The Big Store Thronged Daily Means What?

It is current comment, in and out of trade circles, that the Big Store is the only one in Hamilton continually busy—that a view of the stirring scenes here daily is conducive of optimism. We count it a tribute to the fairness of Big Store methods and the justness of our strictly cash system. We buy for cash and sell for cash — our system knows no favorites and it grants no special privileges that cannot be shared by all.

The net result is Absolute Underselling Supremacy, and that is the main reason why there is no sign of hard times in the throngs you daily find under this Big Store roof.

RULES AND REGULATIONS—Continued.

6—Cattle are considered Grade which are under Thoroughbred, and exhibitors of Thoroughbred Cattle when making entries, must give number of pedigree, excepting calves of 1908, which must show the registered number of dam in the Herd Book.

7—Bulls must have a ring or a screw in the nose and be carefully secured to prevent the possibility of an accident.

8—Should there be only one competitor, the Judges may use their own discretion in giving a premium or otherwise.

9—The stock in the show grounds shall be only known to the Judges by ticket and number.

10—No article will be admitted with name or initial or distinguishing mark thereon.

11—Any person interfering, by conversation or otherwise, with the judges until the judgment is passed, shall have no prize adjudged him.

12—The Managing Committee will be in attendance at 9 a.m. on each day and give information that may be required.

13—The Managing Committee consists of the President, Vice-Presidents and Directors.

14—No person will be allowed to enter for exhibition more than one specimen in any section of a class. This rule does not apply to animals but to all kinds of grain, vegetables, products, fruit, manufactured articles, etc.

RULES AND REGULATIONS—Continued.

20—All persons to whom a prize or prizes are awarded must apply to the Secretary of the Association for payment thereof before the thirtieth day of November in the year in which such was awarded, or shall forfeit such prize or prizes.

21—The admission fee to the grounds will be : Adults, 25 cents; children between 10 and 15 years of age, 10c.; under 10 years, free; conveyances, 25c. Each member who pays previous to October 1st, will be furnished with four tickets, after that date only two admission tickets will be given.

22—The exhibition will be open to the public on Wednesday morning and will remain open until 4.30 o'clock that day.

23—For the convenience of the public, checks will be given for ingress and egress to the grounds, but no checks will be given after 1.30 p.m.

24—The Society agrees to pay its usual cash prize for any special prize order that will not be honored by being personally presented to the donor thereof.

25—This society will not be responsible for any loss, damage or accident occurring to any person or property on the ground during the Fair.

26—While the Directors will take every possible precaution under the circumstances to secure the safety of articles sent to the exhibition, the owners themselves must take the risk of exhibiting. Should any article be accidentally injured, lost or stolen, the Directors will give all the assistance in their power toward the recovery, but will not make any payment for the value thereof.

RULES AND REGULATIONS—Continued.

27—Any exhibitor lodging a protest must make it in writing, and it must be delivered to the Secretary or his assistant within three days of the cause of protest; it must state plainly the cause of complaint or appeal and must be accompanied by a deposit of two dollars, which sum shall be forfeited to the Association if the protest be not sustained. The Board of Directors, however, earnestly hope that the exhibitors will not enter protests without the strongest grounds for so doing, as much annoyance and unpleasantness is often caused by protests of a frivolous nature.

28—All protests will be decided by the Committee on Grievances and their decision shall be final.

29—In order to stop the growing practice of sending exhibits in care of the Superintendent of the department the following order will be invariably adhered to: Whilst every possible assistance will be most cheerfully given in placing exhibits, no package or case of any kind whatsoever will be opened unless accompanied by the exhibitor or some one sent especially in charge.

30—The entrance fee must in all cases accompany the entry. No entry will be accepted unless this is done. Fees should be sent by Post Office Order, Postal Note, or in bills in Registered Letter, and not in postage stamps.

Any person that has won first prize for two or more seasons will be debarred from entering the same team to compete for first prize, but may compete for second or third prize.

5 DOCTORS FAILED

MRS. BEERS

**CHRONIC ULCERS COVERED
HER BODY & CRIPPLED
HER.**

HOW CURE CAME

How Zam-Buk cures chronic ulcers and sores is seen by the following experience of Mrs. Beers, of L'Original (Ont.) She says: "Some years ago ulcers and sores broke out on my legs and different parts of my body, and spread to an alarming extent, causing me great agony. I

began to try salves, oils and medicines of various kinds, but the sores refused to heal. I then consulted a medical man, who treated me for some time, but the ulceration continued just as bad as ever. Another medical man was consulted, then another, and one after another until I had tried five different Doctors. All gave me up in despair. The ulceration and the skin disease were getting worse all the time, so I then went into the Hospital. I was there five months and came away very little better. I next went to another Hospital, and stayed there three months—again with no success. By this time my legs were covered with sores, my bones seemed all picked out with ulcers, and I could not walk without the use of a cane and a crutch. I was in such a shocking condition that I was longing for death.

"I saw a report of the value of Zam-Buk and I obtained a small supply. This did me so much good I bought a further supply. A few weeks steady use of this wonderful balm healed the ulcers, removed the sores and I am to-day completely cured. For many years I was obliged to use a cane and crutch to walk. Now I have thrown both cane and crutch away, and feel as well and vigorous as at the age of 30."

WHAT ZAM-BUK CURES!

Zam-Buk heals all skin diseases—eczema, scaly sores, ulcers, ringworms, poisoned wounds, barber's rash, pustules, face blemishes due to blood poison, rheumatism and neuralgia. It heals cuts and lacerations, stops bleeding, cures piles, eases fistula, reduces enlarged veins. It cures burns and scalds, and it is an excellent "first aid" remedy. It is highly antiseptic. The best balm for children's injuries and skin diseases. All druggists and stores sell it at 50 cents a box, or from ZAM-BUK CO., TORONTO, for price. 6 boxes for \$2.50.

LEARN TELEGRAPHY

If you earn less than \$600 per year you should not waste any further time, but learn telegraphy AT ONCE. You can become a thoroughly competent telegraph operator in a few months, when a position will be waiting for you. Telegraph operators receive salaries ranging, according to position, from \$50 to \$175 per month.

We make FOUR claims, none of which can be duplicated by any other TELEGRAPH SCHOOL.

1. We have the largest EXCLUSIVE telegraph school on the continent.

2. We employ three thoroughly experienced railway men as teachers.

3. We have a railroad train despatcher's wire, communicating with the principle cities and towns in Ontario, which was put into our school by the railroad people to assist us in turning out thoroughly practical telegraph operators.

4. We are supplied, direct from the Stationery Department of the largest railroad company in Canada, with the actual forms, such as train orders, telegrams, car reports, weather reports, etc., etc., which are used in railway stations.

You will thus see that we have in this school every facility to aid our students in becoming competent telegraph operators.

Our handsomely illustrated telegraph book, giving particulars, will be sent free, on receipt of name and address.

TRIALS OF SPEED

Directors in charge—R. Wedge, James Burt, W. R. Boyle, D. Dwyer, G. H. Mu. holland, John Malcolm.

Trials called in the order they appear below. First trial to be called not later than one o'clock, sharp, Wednesday. In all speed trials there must be four entries or no trials. It is intended in this class that speed shall be the chief consideration, but in making their awards the judges shall take into account other characteristics, such as the form, soundness and style of the animals exhibited. The committee in charge will name the number of times they may require the horses to go around the ring.

The committee in charge reserves the right to declare off any event not properly filled, or, in event of bad weather, to declare one or all of the races off; in that case the entrance money will be refunded. The committee in charge will decide what horses are eligible. Entries for prizes on this page will be taken on the grounds the second day. Entrance fee must be paid by all—members or non-members. The decision of the judges will be final. No record of time will be given.

There's Danger There

The old adage "A stitch in time saves nine" applies to the human system. Nature gives her timely warning and if heeded much suffering may be prevented, but if neglected she demands a very heavy penalty.

STOP THAT BACKACHE!

It means more than weariness through labor. It indicates that the kidneys are being attacked, and as a very large percentage of our ills and sufferings have their origin in the kidney and liver, a course of Dr.

Root's Kidney and Liver Pills should be taken. They will stop the trouble at

once. Once the kidneys get deranged or out of order every part of the human system becomes disorganized and if not speedily

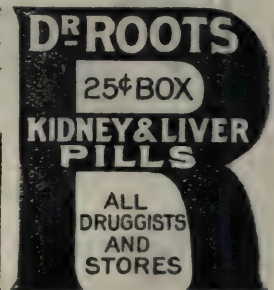

put right serious complications arise, terminating in a long and tedious illness which often proves fatal. Dr. Root's Kidney and Liver Pills cure all kidney and liver troubles.

Mother and Daughter-in-law, Cured.

Mrs. Jean Bourgault, of St. Sylvester, P.Q., says: "I gladly testify to the merits of DR. ROOT'S KIDNEY AND LIVER PILLS. I have used six or seven boxes and have obtained great relief. I was very weak, nervous and in a run-down condition, but these pills suited my case exactly, as, after six weeks' treatment, I now feel like a new person. They built me right up. I will always continue to recommend DR. ROOT'S KIDNEY AND LIVER PILLS. My daughter-in-law has also used these pills with beneficial results."

An interesting letter
—from—
Mr. Walter McMonagle

At Glen View Farm, in maintaining the pure bred herds of Guernsey and Jersey Cattle, our aim has been to combine beauty with utility and to so develop the heifers that they retain the true dairy form and type. We have succeeded and are succeeding in this, and we find Herbageum to be of very great assistance. By its use we are enabled to get calves on skim milk at a very early age without danger of scours or other trouble; this not only means great economy in the raising of our stock, but we can in this way develop a better type of dairy heifer, free of fat and of good milk producing form. They resemble miniature dairy queens.

In order to preserve breed type we are continually introducing the best quality of imported Island blood.

We might further say in regard to the use of Herbageum, that in extreme cases of scours we have found it a sure and efficient cure, and in ordinary every-day use a sure preventive.

Our Guernsey bull, Island Heirloom of Glen View, is a standing testimonial to the value of Herbageum in severe cases. He was born at Toronto on July 7th, and came to Sherbrooke by express on August 30th. He was in wretched condition, with his stomach so weakened that he could not take whole milk without the addition of water, and then only in very small quantities. We got him home on October 1st and put him on skim milk and Herbageum. He at once commenced to improve and come on very fast and was soon the best feeder we had. Today he is as grand a young bull as one would wish to see, of superb form and very large and handsome. We are firm believers in Herbageum for regular every day use.

Yours sincerely,

WALTER McMONAGLE,

Glen View Farm, Sussex, N.B.

...FACTS...

CLOTHING DIRECT FROM MAKER TO WEARER

No man wants to buy any article and pay three or four profits when he can buy the same thing direct from the maker at one small profit.

GRAFTON & CO. are manufacturers of the Finest Grade Clothing produced today in Canada. They sell direct at a slight advance over the actual cost of manufacture, and save to their customers the great profits that are usually exacted by other dealers.

There is no reason why you should pay three profits when you can buy direct from the manufacturer and pay only one. In the ordinary way of selling, the retail merchant charges you a profit on what he sells you, the wholesale house charges the merchant a profit on what they sell him, and the manufacturer charges the wholesale house a profit on what they make in their mills or factories. Thus, before the consumer gets the goods, he pays three profits, whereas if you buy direct from the manufacturer you pay the first and only profit that is on the goods.

This is the way GRAFTON & CO. conduct their business

They give you a Superior Grade of Clothing, extra well made and trimmed, manufactured only from the choicest selection of Tweeds, Worsteds and Serges, cut and designed by skilled workmen, tailored and finished by journeymen tailors, and produced at a considerably less price than is usually charged for poorly made, ill-fitting garments.

GRAFTON & CO.'S "HIGH GRADE" CLOTHING is the standard of excellence, lately improved, up-to-date, and is equal to custom made in all respects. The only difference is it costs but half the money and looks in many cases far superior to that produced by so-called custom tailors.

GRAFTON & CO.'S CLOTHING is made to fit well, to look well, to wear well, to keep the shape, to retain the color and add dignity to the wearer.

GRAFTON & CO. employ only the best skilled union labor, and all their clothing is manufactured in a fine, new up-to-date factory, with all the most modern equipments and sanitary improvements, and is owned and conducted by and for Grafton & Co. The clothing manufactured by this firm has no equal in the country for style, fit and value.

GRAFTON & CO. make no trashy garments, all bearing their trade mark "HIGH GRADE" are fully guaranteed, and if any customer has either real or imaginary cause for dissatisfaction, money will be cheerfully refunded.

There is No Reason

Why farmers should not buy good Tea, you like good things as well as anybody else, now I want to tell you why our Tea is better than what you are using.

It is the young tender leaf of the Ceylon Plant grown on virgin soil.

Picked at the right moment and cured by a process where all the delicious flavor of the Tea Plant is retained—bought in large quantities—I can sell it to you so that you only pay

40c POUND

for the high grade. Try some of it next time you are in the city.

Our 25c tea excels that sold by pedlars at 35c

WHEN YOU Buy Clothes Here

YOU'RE DEALING WITH ONE OF THE largest and foremost high-quality clothing businesses in Canada; the best store you can find to buy clothes in; and that's a recognized fact, not merely our opinion about it.

As a fact it may not interest you; mere size is not very interesting; we once knew a man who weighed seven hundred pounds, but it was the only noteworthy thing he ever did.

The reasons for the fact, however, are worth your attention; for they affect your comfort, your pleasure and your profit; and those are the things you want when you spend your money.

This business has grown great in a year by the simplest and most natural process. We make it our business to serve the public in things to wear. That means: 1, Courtesy, without servility; 2, Painstaking care of your interests, without officiousness; 3, Pleasant environments in which to receive and do business with guests. 4, High-class goods only—poor stuff serves only the dealer who makes profit on it. 5, Correct fit in every case. 6, satisfaction guaranteed, indefinitely—for our own self-respect.

Remember we carry a complete assortment of men's double-shrunk suits and overcoats, boys' double-shrunk suits and overcoats, gentlemen's furnishings, hats, caps, etc. Everything in men's and boys' line of latest fashion and approved styles.

Your name stamped in every hat you buy from us. A coat form or clothes brush with every suit or overcoat. Complete wedding outfits for men.

Rush's Improved Patent Stanchions

Cut showing arrangement in a stable of our Cattle Stanchions.

RUSH'S

Improved U-Bar Steel Cattle Stanchions (Patented)

No stanchion is perfect unless made to swing and give freedom to cattle. The U-Bar Steel is the only material that will stand the rough usage. All forged from the U-Bar. No pieces riveted on to get loose. Most sanitary made stanchion. A child can operate the latch. Guaranteed not to let the cattle loose. 2,000 in use and no kick coming. Has absolutely secure locks. Swinging freely, keeps stock cleaner than tie chains. Safest, strongest and cheapest cattle stanchions on the market. Made in 5 sizes, 5 in., 6 in., 7 in., 8 in., and 9 in. wide. Manufactured and sold by patentee.

CHINA

Those who are interested in a new line of china, we would be glad to show a line of fancy china, that we have just placed in stock.

Although this is not our first experience with china, still it is the first that we have carried in stock in Dundas.

It is stuff that is new, and you haven't had an opportunity of looking at it so much that you have grown weary in so doing

This is the first shipment of our fall stock. Two other orders are to follow, including a fine line of hand-painted china.

We'll be glad to show you our goods now, even if you don't wish to purchase.

Besides this line we carry *Jewelry, Silverware, Sterling Silver, Watches, Clocks and Fancy Combs.*
